

SALAMANDER A/V FURNITURE

MADRID

MADRID

A sophisticated, premium audio/video furniture solution packed with practical features. The Madrid's clean, minimalist lines recall and refresh the leading design influences of mid-Twentieth Century furnishings. Its contemporary expression, delivered fully assembled, more than meets the needs of high-end electronic components. It appeals to individuals looking for a stylish, versatile AV solution that complements their décor.

SYNCHRO FURNITURE MATE

The Synchro Furniture Mate puts TVs where viewers want to watch without occupying walls or furniture surfaces. Its unique fork-like base mates with most cabinets for a fully integrated appearance.

A strong steel column supports sets up to 60" weighing up to 110 lbs and keeps all cables out of sight.

Variable height settings and manual swivel*, 30° left to right.

*Motorized swivel option available, MA/PMU1.
