SYNCHRO FURNITURE MATE

A universal, floor-standing, flat-panel TV mount with a manual or motorized swivel— an ingenious, hassle-free, VESA-compliant solution to integrating flat-panel TVs with Salamander or other cabinets. The first TV mount of its kind.

The Synchro Furniture Mate puts TVs where viewers want to watch without occupying walls or furniture surfaces. Its unique fork-like base mates with most cabinets for a fully integrated appearance.

A strong steel column supports sets up to 60 inches weighing up to 110 lbs and keeps all cables out of sight.

Offers variable height settings and manual swivel, 30° left to right.
